STEP 3 OF 5

Deterministic Risk Verdict & Formula Proof

HIGH RISK (87/100)

• Score Immutable by LLM

- False Urgency ("Blocked in 24h") +10 pts
- Unauthorized Payment Ask (₹2 fee) +10 pts
- Lookalike Domain (sbi-kyc-update.xyz) 25 URL pts

MATHEMATICAL SUB-ENGINE PROOF:

1. ML (TF-IDF)

42 /50

2. VirusTotal

25 /30

3. Rule Signals

20 /40

Sum: $42 + 25 + 20 = 87$ pts

✓ Exact Arithmetic Match

STEP 4 OF 5

Safety Circle — Advisory Consultation

Token Exp: 2 Hours

Forward Case to Trusted Contact:

Mom (Primary Contact)

✓ Opt-in Verified

WhatsApp / SMS Link

- Generates a signed, 2-hour expiring review link.
- Recipient sees threat summary only — zero OTPs/personal logs.

Share Case with Mom

Trusted Contact's Opinion

Advisory Only

"I asked our bank manager yesterday — SBI never uses .xyz domains or asks for ₹2. This is definitely a scam, do not click!"

*Advisory feedback helps user make safe decisions; machine risk score remains unchanged.
